Brief presentation of the speaker:

Andrew received his BSc in Prosthetic and Orthotic from Salford University in 2008, since then he has been working in Norway at Sophies Minde Ortopedi. His past 16 years of experience has been predominantly in the area of Lower Limb prosthetics. He has been involved with Osseointegration since day one at Sophies Minde Ortopedi, with close collaboration with Integrum and Sahlgrenska University Hospital in Sweden. The last few years Andrew has shifted his focus to Upper Limb prosthetics together with the start of Osseointegration at Rikshospitalet in Oslo.
